THE DEFENDER

"La Verne Marie Mitchell"

To LaVerne
A very smart, sweet
and intelligent young lady.
Stay that way forever. I'll
always remember our good times. We got into
a whole lot of trouble together while we were
growing up and it was worth it. Never forget who
your friends are on the way up because you'll
meet the same people on the way down. I want you
to know that a journey of a thousand miles starts
with a single step. You've already taken that first
step which is a very important one! So keep on
steppin' and make people proud just by mentioning
of your name. Remember this: I'll in heaven we
don't meet, hand in hand we'll hear the heat. and
if it ever gets too hot, Grape soda hits the spot!

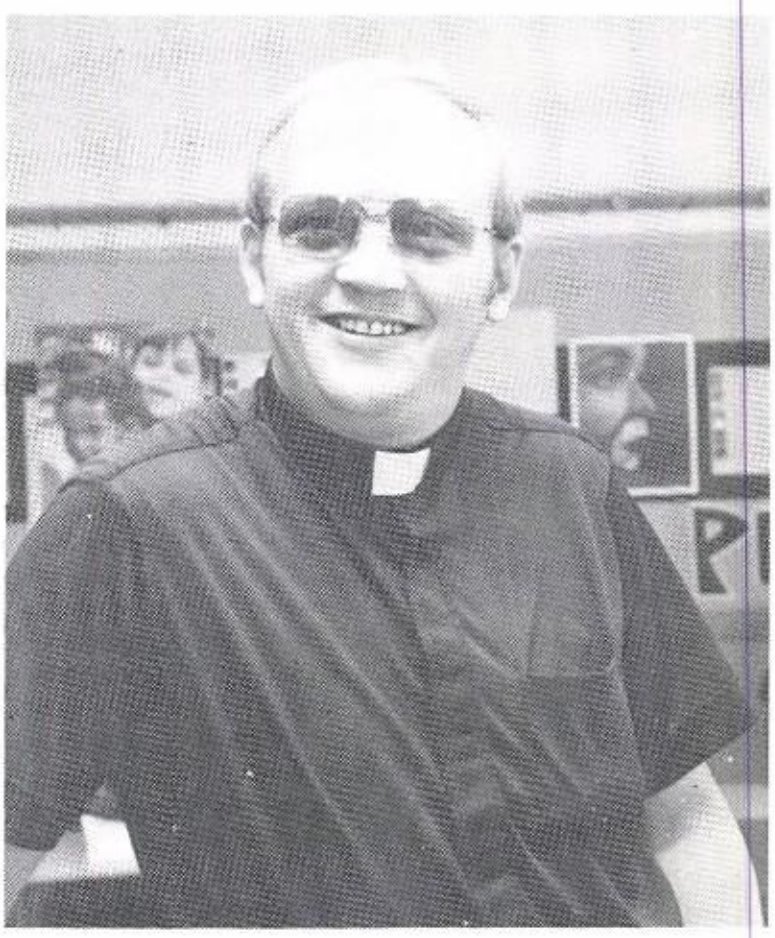
THE DEFENDER

VOLUME XIII 1979

Dedication

Sister Glenn Anne has given ten years of service to St. Michael's. During these years, she has expressed love, patience, understanding and support to parents, faculty and students. She is always willing to stop everything to help a person. She is a remarkable woman.

Father Michael Carroll has shown love and support for the Starlets of St. Michael's during these past six years. He has a warm smile and loving hug for people he comes in contact with each day. He is always helping someone when they need help. His jokes help bring a person's spirit up when it's down. He is a special person.



The Yearbook Staff
is proud
to dedicate

MESSAGE TO THE STARLETS

Dear Starlets,

The DEFENDER STAFF has well chosen this year's theme. A reason to BE INVOLVED, SERVE, BE PROUD, STRIVE, BE, GROW, and PRAY gives meaning to the life of each of us. There is a reason the Lord has called us to share this year together. All the events that allow us to grow through interaction with one another gives life to the theme. Keep this theme in mind and be for one another. How fortunate we are to be able to share this time and space together. My life is richer for the gift of each of you.

Sister Glenn Anne, O.P.

My philosophy of life rests in my Lord. He tells us in the gospel of Saint John to love one another as he loves us (13:34), to trust in God always (14:1), and to go out and work for Him in the name of the Father (15:16). These three commissions form the basis of my philosophy

Dear Starlets,

Our yearbook records the distinctive events of our past year together. It captures our common memories. We ofter sing in our Alma Mater: "As we go along our way each passing day, hearts will treasure thoughts and memories fond and gay." It is my hope that your hearts will treasure the year that has been. It is my prayer that your hearts have also expanded with a greater devotion to your school, a keener appreciation of knowledge, and most importantly, a deeper love for your God.

God Bless You!

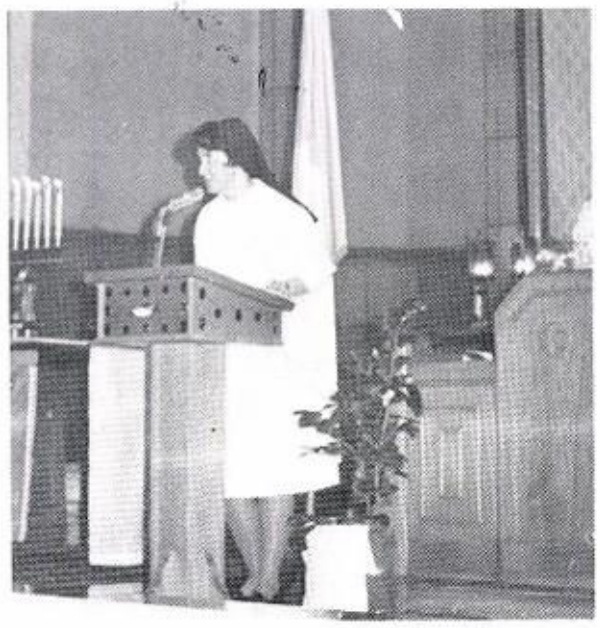
Javelin Ring Ceremony



Seniors' Poem to the Juniors

For the Javelins,
This day is a day of glory.
For each class before them,
It has been the same story.
Last year, rings were passed
From Jasmines to Chantes,
But those emerald stones have
seen their days.
Now, rings are passed
to the class of 1980,
From a Chante member
to a Javelin Lady.
Because we've experienced
What you're going through,
We know these rings mean a
great deal to you.

Javelins, let this day
Stay in your minds
Even after you've left
Saint Michael's behind.
The whole school wishes you
well in whatever you do,
Please cherish this day,
It's especially for you.

Javelin Ring Ceremony

Juniors' Poem to the Seniors

The flowers are a symbol
of love and respect.
You've shared with us, this day
we'll never forget.
We thank you for the love
You've shared
We were middle sisters
And you really cared.
This moment has long been on our minds
You see, today we've shown
In a way you've never known
That we're worthy of respect of all kinds
So, we've received, we've gave
In our hearts will always be engraved,
This day.

OUR LAST GOOD-BYE

We were asked to write a poem,
About the Seniors of "79",
So sit back with these words of wisdom,
And the way our poem rhymes.
Behold, you Seniors,
Of which there's much success,
We, your little sisters,
Wish you lots of happiness.
Now! As you enter,
this world true blue,
Remember what St. Michael's has done for you,
And you.
St. Michael's has helped you,
As you achieved your basic goals,
Now! Go out into life,
And play your most important roles.
Young women of this world,
Of which we are now a part,
The path that you now follow,
Another we must start.
So follow that road of wisdom,
Follow that road of love,
And always remember,
The hand that's guiding you,
Is the hand from up above.
As time is growing short,
As Seniors you must go,
Ao, as your little sisters,
We'll say this very slow:

Before you leave,
The doors of St. Michael's,
STOP!
Take a second look,
Then turn and wave,
GOOD-BYE
And give to us
Your learning books!

(By Tresa Hollis)

To Da Vane,
a very sweet person
that I have grown
to like very much. I
wish you all the best
of luck and happiness in
your future years to come.

To LaVerne, a very nice & sweet young lady. I've known you since the beginning and I hope to know you until the end. We started out as kids but now we have grown, like adults, young ladies. We met at 99th st. school and then at St Lawrence. We had lots of fun at St. LaWrence because we were together. After graduation we went our own way but we still are one because we're still together. Sometimes I'm not sure if its just because we're so close that we have problems. With every good relationship there will be problems. But we must be able to handle them like one person, together. If we don't have disagreements I'll think that you didn't care. You love your mother like I love mine but we have disagreements with our parents too. Things always work out for the best. Love has a funny way but its all up to the people or person to make it grow. I promise never to let Venus, Courtney, Janine, or even Wardell come between us. Love ya always Kay Kay Holmes your sister & mother (You are best friend to me & my family) + Button + Parker
